

Value Added Resource Project

Consortium Agreement
01Aug2011

Consortium (Collaboration) Agreement

This Consortium Agreement is made on 01Aug2011 between: Party 1, Resolution Labs, LLC;
Party 2, Chromettex Analytical Services.

Hereinafter, jointly, referred to as parties or party, the objective of this Consortium Agreement is to validate the parties commitment to serve as backup support to one another's customers shall a situation deem it necessary.

Whereas:

- A. The parties, having considerable expertise in the field of "Field Service", with direct and relevant experience, have published the framework of a project entitled: "Value Added Resource Project".
- B. The parties have reviewed and agreed that this "Value Added Resource Project" strengthens our commitment to the customer.

Therefore, this outlines intends to portray the strengths and commitments as follows:

- (1) This Consortium Agreement shall come into force as of the date signed.
- (2) Each Party will serve as a backup when available with, resources, phone support, and/or man power.
- (3) Any backup provided will not serve as a billable event to one's customer but handled between Consortium members.
- (4) All support in the form of man power with on-site service, will be performed by a qualified technician that holds a certificate of training on the equipment being supported.
